## Uniforms of the American Revolution

These were the uniforms of the Patriots enlisted in the Continental Army. These Uniforms were very plain in comparison to the British soldiers. At the beginning in the war, brown was the official color, but as the years went on, they changed. By the end of the war, the uniforms included such colors such as, brown, red or blue. The Patriots who went off into war either knee breaches or trousers. For more information, check the hyperlink on [Uniforms of the American Revolution](#).

## President's Remarks

*Andrew Lick, President*

---

Dear Compatriots,

In July, my family and I attended a powerful 2021 Annual Congress in Renton, Washington. Each morning as the sun rose, we watched bald eagles fly across Lake Washington with the Seattle skyline in the distant background. I had the opportunity to attend both the Council of State Presidents Breakfast and the Mid-Atlantic States Breakfast where I was able to learn from other leaders of the SAR. Compatriot Davis Lee Wright from Delaware was installed as President General of NSSAR and our own Former President and Historian Ernie Sutton, MD was installed as the Surgeon General. The highlight of the week for me was the President General's Banquet where General James Mattis gave the keynote address. The General saluted our organization for preserving our nation's history and founding ideals. Unbeknownst to him, the SAR had researched his lineage and found that he had a patriot ancestor. At the end of his speech, outgoing President General Jack Manning surprised him with the news and installed General Mattis as a new member of the Sons of the American Revolution. It was magical to witness. It is moments like these that continue to inspire me as we work toward our own 2024 Annual Congress. That Congress will be our opportunity to shine and show the rest of the nation what the Pennsylvania Society is capable of and the founding principles that we stand for. I ask for your continued support of our Congress Committee as they work toward creating this historic event.

The first week of August, we had a very productive and enjoyable Summer Board of Management Meeting that was hosted by Great Glades Chapter. At that meeting, we recognized the many awards received at Annual Congress, most notably the NSSAR A. J. Tremble 1776 Trophy Award earned by PASSAR for the greatest membership retention of all state societies. The weekend included a performance by the West Virginia University Fife and Drum Band and a wreath laying ceremony that honored descendants of the Lincoln Family. In mid-August, I travelled to Annapolis, Maryland for the Mid-Atlantic States Conference where we were awarded the Thomas J. Bond, Jr. Memorial Mid-Atlantic Membership Award. That weekend, I gave a presentation on the progress that PASSAR has made in historical preservation, dues collection, data security and membership retention. It was encouraging to see the number of Compatriots in surrounding states who are eager to participate in our 2024 Annual Congress. Recently, I also had the opportunity to attend summer picnics hosted by the Philadelphia Continental Chapter and George Washington Chapter. Soon I will fly to Louisville, Kentucky for the Fall Leadership Meeting and will keep our membership informed of new developments. I want to especially thank all of our state and local Officers and Committee Chairs throughout Pennsylvania who continue to give of their time and talents. You are the foundation of our success. We have much to be proud of and much to look forward to. All of our members are encouraged to attend, either in-person or through Zoom, our upcoming Fall Board of Management Meeting on November 6<sup>th</sup> hosted by the Continental Congress Chapter in Lancaster.

In Patriotic Service,

A handwritten signature in black ink that reads "Andrew Lick". The signature is fluid and cursive, with a long horizontal stroke at the end.

President, PASSAR

### **Unfinished Business:**

Ronald Miller updated the George Washington Chapter Patriot Cemetery Initiative of constructing and installing Revolutionary Patriot identification signs for selected Washington County cemeteries (58 locations).

14 signs have been installed at cemeteries. 12 signs to be installed through September (11 have been funded by donations from the DAR). An application has been submitted to the Washington County Community Foundation for a grant to complete the project county wide (32 remaining locations). Approval of the grant will enable a radio (WJPA) spot to promote our chapter activities associated with the initiative and we will develop printed brochures. Also, a joint venture with the David Bradford House Association for the summer of 2022 includes a Revolutionary War Patriot/Whiskey Rebellion History Scavenger Hunt as part of the Whiskey Rebellion Festival. This competitive organized event will allow participants to travel to the different historical cemeteries to find answers to clues from our signs with the computer interface. Signs cost \$55 each if we do assembly and installation. If we get the grant and have a restrictive timeframe the cost is approximately \$230 each for sign, assembly and installation.

FP Thomas Showler reported on PASSAR Pa license plates. Currently, cost \$28 payable to PENNDOT and \$25 payable to PASSAR. Contact him for more information. Also, find it on the Member Section on the website.

Secretary Russell Mills reports that all new member packets will include the tag.

**New Business:** President Lick informed the attendees of the unrestricted gift of \$44,500.00 from the Ramsey Estate. He proposes that \$40,000.00 be used for the 2024 National Congress and that \$2,500.00 be donated to the fund for a new flagpole at the Washington Crossing Historical Park that is supported by Chapter President Bill Hampton and Washington Crossing Chapter. The total cost of the project is \$16,000 and qualifies as an America 250 Event. The New Jersey Society has invited us to participate in a December 26<sup>th</sup> wreath laying ceremony in remembrance of the crossing that began the 10 crucial days to liberty. PASSAR Color Guard Units are encouraged to participate.

In accordance with our Bylaws, President Lick is requesting that a vote be taken on these recommendations at our Fall BOM Meeting.

Secretary Russell Mills reported that the dues collection for 2022 will begin soon. He has updated the membership lists and is in the process of aligning our membership with the PASSAR Database. Chapters have received these updated membership lists (XL spreadsheet) so please assist/remind your members to pay their dues. The dues notice will include a place to make a voluntary contribution to the 2024 National Congress. Also, be reminded to update your contact information. Out of 1800 members 500 do not have email addresses. Please update your email address with the Secretary. Membership information is protected.

First Vice President Michael Siebert clarified that the funding for the 2024 National Congress mailing did not come from the General Fund. That expenditure came from a separate account funded by donations for the 2024 National Congress. Treasurer Don Mengle added that the Zoom equipment was paid from an account that will be reimbursed by the Zoom participant registration fees. The equipment cost \$1,969, however, with depreciation over four years, will result in no cost to PASSAR.

Treasurer Don Mengle also reported that he is in the process of obtaining a Pennsylvania Sales Tax Exemption. There is not a guarantee that it will be granted, though. If approved, we should have it within 60 days. Chapters should be able to fall under this sales tax exemption as well. Included on pages 108-111 are the SAR Tax Letters which are provided for your information.

## Flowers in the Forest

The Floo'ers o' the Forest (are a' wede away) is an old Scottish song that was brought about when the Scots lost their battle of Flodden (1513). It is a story of a young lass who lost someone she loved so dear. We, as brethren, take this time to remember those who have gone before us with our hopes and wishes that they, like their patriot ancestor, will not be forgotten.
