France and the American Revolution

By
Robert Wilde

Updated on September 23, 2019

After years of spiraling tensions in Britain's American colonies, the American Revolutionary War began in 1775. The revolutionary colonists faced a war against one of the world's major powers, one with an empire that spanned the globe. To help counter Britain's formidable position, the Continental Congress created the "Secret Committee of Correspondence" to publicize the aims and actions of the rebels in Europe. They then drafted the "Model Treaty" to guide negotiations of alliance with foreign nations. Once the Congress had declared independence in 1776, it sent a party that included Benjamin Franklin to negotiate with Britain's rival: France.

President's Remarks

Andrew Lick, President

Dear Compatriots,

Our State Society enjoyed a productive Winter Board of Management Meeting that was hosted by the Governor Joseph Hiester Chapter in Morgantown. The President General of our National Society, Davis Lee Wright, was our guest of honor who personally awarded Lafayette Service Medals to deserving Compatriots. At our luncheon, we hosted Edison Tang, who won 2nd place in the country in the Knight Essay Contest. The main speaker was author Bruce Mowday who told enlightening stories about the role the Marquis de Lafayette played in the War for Independence. Later in February, I made a trip to the Centre County Chapter where I was the guest speaker at their George Washington Luncheon. This March, I will bring greetings on behalf of the SAR at the Children of the American Revolution (CAR) Conference in King of Prussia, where we will award outgoing CAR State President Gabriela Aragon with the Silver CAR Medal of Appreciation for her outstanding service. In April, I will join Joe and Bobbi McMullen at the DAR Conference in Scranton, where we will award DAR ladies with Finders Awards for their ongoing efforts to strengthen our membership. Shortly thereafter, we will hold our Annual Meeting where our new officers will be installed.

This past year has been a rewarding experience, and it has been a privilege to serve as your president. I am very pleased at the goals that we have achieved together. We have made great progress in enhancing member retention, awards programs, data security and better communication through new technology. Our Congress Committee has laid the groundwork for a successful 2024 convention, and we continue to honor our patriot ancestors through the America 250 initiative. I have greatly enjoyed travelling throughout the great state of Pennsylvania and getting to know so many of our chapter members. It has also been a thrill to take part in National Congress and Leadership meetings where I met so many dedicated Compatriots from around the country, each with their own unique talents and vision of how to improve our organization. This year, my service will continue as a National Trustee and Credentials Chair for our upcoming Congress.

I hope that you will join us at our Pennsylvania Society Annual Meeting on May 6th and 7th in Camp Hill that will be hosted by Harris Ferry Chapter. President General Davis Lee Wright will be joining us again, as well as Vice President General Troy Foxwell and DAR Regent Beth Watkins. We will be recognizing the many achievements of our members as well as young people throughout the state who exemplify American ideals. As SAR gentlemen, we must continue to serve our mission of preserving the past for the benefit of the future. We are truly blessed to live in a free nation. Through education and our example, new generations will still be able to understand and appreciate the great wisdom and sacrifice of America's founding.

In Patriotic Service,

Unfinished Business:

FP Wayne R. Strasbaugh, Esq. requested an update on the status of the PA Sales Tax situation. George Clarke, Jr. reported that it appears that someone needs to go to the office in Harrisburg to represent our concern. President Lick volunteered to go to Harrisburg and investigate the sales tax situation. PASSAR desires to get tax exempt status to save money on 2024 National Congress expenditures.

Forrest Myers requested an update on the status of the Traveling Educational Trunk School Program. George Clarke, Jr. reported that he needs to find a historical looking trunk for about \$100 to move the program along. He asked that if anyone would find such a trunk that they would be reimbursed. He will send Forrest Myers a video of an Educational Trunk Presentation from the Georgia Society. SG Dr. Ernest Sutton reminded us that the National SAR website has a presentation of the Patriotic Trunk and Flag Program.

New Business:

Edward Kopsick suggested that our society participate with the Masonic Order Liberty Tree Project for a few selected plantings such as one for the 2024 National Congress in Lancaster. Forrest Myers reported that the Harris Ferry Chapter has participated in tree plantings. The goal of the Program is to plant a Liberty Tree in every county in Pennsylvania as an America 250 Tribute.

Steven P. Kopsick proposed an annual (on Washington's Birthday) Service of Remembrance at the Tomb of the Unknown Revolutionary War Soldier at Washington Square and wreath laying at Independence Hall, Philadelphia. The first service was in 1922. This year the service marks 100 years of Remembrance.

SG Dr. Ernest Sutton announced the Atlantic Middle States Association Meeting the first week of August, 2022 at the Princeton Marriott in Princeton, NJ. Although the registration is not yet on the website, Hotel reservations can be made at \$109 per night. Tours are planned. PASSAR donated \$2,500 to the Ten Crucial Days Program for America 250.

Edward Kopsick reported that he enjoyed the puzzle in the latest “Minute Man”. Since he was unable to finish the puzzle, he invited anyone else to share their results with him.

John L. Bower requested how to obtain a printed copy. President Lick replied that anyone desiring a printed copy should contact Bill Harry, editor. It was also pointed out that the Society saves approximately \$6,500 per year by providing the publication online.

Forrest Myers requested an update on life membership dues consideration. Since Treasurer Mengle was not present at this meeting, President Lick requested that the question be postponed until the next executive committee.

Dues Collection: John L. Bower commented that for his chapter, Tiadaghton, the online dues payment system and reinstatements were challenging this past year. He complemented Treasurer, Don Mengle, and Assistant Treasurer, Lynn Harding, for their cooperation and helpfulness in getting problems solved.

SG Dr. Ernest Sutton explained that procedures were set up this past year to minimize problems. Secretary Rusty Mills started the process in September by sending each chapter an up to date membership list. Then each chapter president and treasurer were issued a password in order to monitor dues payments for their members “in real time.” The Treasurer then emailed each chapter every two weeks to inform them which members have not paid. These were the tools to aid in tracking dues payments. Also, the National Society extended the cutoff date to January 31, 2022.

Secretary Rusty Mills reported that September is a good time to start the process early. Overall, the dues notice and collection itself has worked. Also, the website has been working well. Looking ahead to next year, depending on the new Treasurer, dues notice and reminders may go back to paper. We need to address repeat payments, possibly through a receipt. Unfortunately, repeated credit card payments cannot be refunded due to the credit card process. PASSAR could give credit for the next years dues, though.

PASSAR Chaplin East, Dr. William R. Hearter, Jr. led us in a Moment of Remembrance and Prayer for those Compatriots who have passed on.

President Lick closed the meeting and led the Recessional. The colors were retired and Dr. William R. Hearter, Jr. gave the Benediction.

Meeting adjourned

A luncheon followed the meeting. The first speaker was Edison Tang, who won 2nd place at the National Level (NSSAR) in the Knight Essay Contest.

The next luncheon speaker was Bruce Mowday, the author of “Lafayette at Brandywine: The Making of an American Hero.”

Respectfully submitted,

Kurt J. Winter, Esq., 3rd Vice President

These ceremonies are SAR America 250 events that honor the significant milestones of the American War for Independence leading up to the 250th Anniversary of the Declaration of Independence. The SAR America 250 Program continues to be a top priority of both our National and State Society as we remember the sacrifices of our Patriot Ancestors.

Flowers in the Forest

The Floo'ers o' the Forest (are a' weede away) is an old Scottish song that was brought about when the Scots lost their battle of Flodden (1513). It is a story of a young lass who lost someone she loved so dear. We, as brethren, take this time to remember those who have gone before us with our hopes and wishes that they, like their patriot ancestor, will not be forgotten.
